

5 REASONS TO INVEST IN OHIO'S COLUMBUS REGION

for Life Sciences Companies Expanding in the U.S.

Columbus has a strong balance of talent/education, employment and funding that establishes an environment primed for life sciences investment.”
-- CBRE 2023

1. WORLD RENOWNED RESEARCH

\$1.6B National Institutes of Health (NIH) funding

in the Region during the last 5 years, in addition to **\$594 million in venture capital funding.**

3. ROBUST TALENT PIPELINE

Top
10

U.S. ranking in **biological & biomedical doctorate completions** for The Ohio State University. Regionally, 8,700 life sciences degrees were granted in the last 5 years.

2. UNMATCHED MARKET ACCESS

U.S. population within 1-day drive **45%**

This puts **151M people within reach** to maximize market access.

4. LOW OPERATING COSTS

Business in the Columbus Region is easy, efficient, and affordable. There is **no state corporate income tax, real estate is below the U.S. average** and a low cost of living attracts top talent.

5. A VIBRANT ECONOMIC CENTER

Amgen, Intel, Honda/LG, Google and Amazon recently opened significant operations here in the sectors of the future. Columbus also leads the U.S. Midwest in GDP, population, and job growth.
