SARNOVA ANNOUNCES NEW HEADQUARTERS AND EXPANSION IN DUBLIN

Dublin, OH – Sarnova, a leader in health and safety products, services, and technology solutions, is announcing plans to relocate and expand its corporate headquarters from 5000 Tuttle Crossing Blvd to 5000 Bradenton Avenue in Dublin. The company is investing in the redevelopment and improvement of the new headquarters facility located just one block north of their current facility.

The planned expansion will create 19 new jobs, while retaining more than 175 jobs, and provide the necessary infrastructure for Sarnova to continue to build on its current momentum and sales growth. The estimated completion date of the project is June 2025.

"With our most valuable asset being our workforce, the imperative to expand Sarnova's facilities to cultivate an environment conducive to collaboration and the development of innovative solutions and technology offerings for our customers became evident," said Brian LaDuke, Chief Executive Officer of Sarnova. "The redevelopment of the new facility will include technology investments and environmentally sustainable features throughout the 66,000 square feet."

Sarnova's longstanding roots, spanning over 50 years in the healthcare industry, underscores its steadfast commitment to the Central Ohio community. Sarnova's family of companies lead health and safety sales and distribution across the continuum of care with a mission to be the best partner for those who save and improve patients' lives.

"We are thrilled to have Sarnova expand within the City of Dublin. They are a leader in the healthcare industry and a valuable part of our business community. We look forward to their partnership and continued success in Dublin," says City of Dublin Economic Development Administrator Jenna Goehring.

The company has enjoyed a mutually beneficial partnership with JobsOhio, One Columbus, and the City of Dublin, and this new facility stands as a testament to Sarnova's dedication to expanding its workforce to better serve the customer.

"Sarnova's decision to establish a new headquarters in Dublin will ensure this rapidly growing healthcare company continues to thrive in the Columbus Region as it has for more than half a century," said JobsOhio President and CEO J.P. Nauseef. "The fully renovated space will ensure Sarnova can meet the rising demand of its EMS and acute care clients that rely on Sarnova's products, services and technology solutions to improve patients' lives."

About Sarnova

Sarnova and its family of companies - [Bound Tree Medical](#), [Cardio Partners](#), [Digitech](#) and [Tri-anim Health Services](#) - have been serving the emergency medical services (EMS) and acute care markets for over 50 years.
